Policy Area: Working Washington

Aerospace Technology Innovation Board of Directors, Joint Center for

Policy Area: *Working Washington*
<http://www.jcati.org/about/directors>

Pursues joint industry-university research in computing, manufacturing efficiency, materials/structures innovation, and other new technologies that can be used by aerospace firms. It also enhances the education of students in the engineering departments of the University of Washington, Washington State University, and other practicing institutions through industry-focused research.

The Board of Directors work directly with existing small, medium-sized, and large aerospace firms and aerospace industry associations to identify research needs and opportunities to transfer off-the-shelf technologies that would benefit such firms.

Economic Development Finance Authority, Washington

Policy Area: *Working Washington*
www.wedfa.org

WEDFA was created by the legislature to act as a financial conduit to businesses through the issuance of nonrecourse revenue bonds and has the authority to issue these bonds on both a taxable and tax-exempt basis in support of qualifying projects — primarily manufacturing, processing and waste disposal facilities. WEDFA cannot assist retail projects.

Tax Preferences, Citizen Commission for Performance Measurement of

Policy Area: *Working Washington*
<http://www.citizen taxpref.wa.gov/>

Develops schedules to review tax preferences, based on a ten year review schedule. Tax preference is defined as an exemption, exclusion, or deduction from the base of a state tax; a credit against a state tax; a deferral of a state tax; or a preferential state tax rate. The Commission also comments on the reviews which are conducted independently by JLARC (Joint Legislative Audit and Review Committee Staff). The Commission may exempt any preference it determines to be a "critical part of the structure of the tax system", and may further recommend an expedited review process for any tax preference.

Workforce Training and Education Coordinating Board

Policy Area: *Working Washington*

<http://www.wtb.wa.gov/>

Serves as a partnership of labor, business, and government dedicated to helping Washington state residents obtain and succeed in family-wage jobs, while meeting employer' needs for skilled workers. As a state agency, the Workforce Board oversees a workforce development system that includes 18 education and training programs receiving almost \$1 billion annually in state and federal funds. The Board concentrates its major efforts on planning, coordination evaluation, policy analysis, and recommending improvements to the state's training system.
