Dear MR/MS Smith

You cannot get cash or medical benefits for these months:

09/07

The reasons for this decision are:

The person listed as the head of household for your food assistance cannot get food assistance.

See WAC rule (Washington Administrative Code): 388-408-0035, 388-468-0005, 388-492-0030

We are sorry that someone in your household has died. Your benefits no longer include them.

See WAC rule (Washington Administrative Code): 388-408-0005, 388-408-0035, 388-492-0030, 388-503-0505

You can check these rules online at <http://slc.leg.wa.gov/wacbytitle.htm> or view them at your public library reference desk. If you can't find this information, please call our office.

If you give us information within 30 days that shows that you are eligible, we may reconsider our decision.

If you are eligible for any other medical benefits, we will let you know in another letter.

You may be able to get family planning services from a medical program called "Take Charge". To find a provider near you, call the Family Planning Hotline at 1-800-770-4334.

If you disagree with any of our decisions, you may ask to have your case reviewed. You can also ask for a fair hearing. Your fair hearing rights are included in this letter.

You can get automated information about your case by calling The Answer Phone at 1-877-980-9220. When you call, you will need to enter your client ID number, which can be found in the bottom right hand corner of this letter.

Please call me if you have any questions about this letter.
