

**EXECUTIVE ORDER 74-15**

Salmon and Steelhead have for time immemorial been an extremely beneficial indigenous resource for the people of the State of Washington. With prudent husbandry and conservation Practices, this important resource will continue to flourish for years to come. This Council will serve as a Consultative Committee to the Directors of the Departments of Fisheries and Game on the management of the resource.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia this 3rd day of October A.D., Nineteen hundred and seventy-four.
