Bowling
COVID-19 Requirements

Summary of June 2, 2021 changes:
- Clarified rule changes for fully vaccinated individuals.
- Linked updated Department of Labor & Industries guidance.
- Removed language that is duplicated in the Labor & industries guidance.

All bowling facilities operating must adopt a written procedure for employee safety and customer interaction that is at least as strict as these requirements and complies with the safety and health requirements below.

Phase 1:
- Private rentals/tours for individual households of no more than 6 people permitted maximum for the entire facility. General admission prohibited.
- Arcades and amusement and/or redemption activities closed.

Phase 2:
- The facility may not exceed 25 percent of the fire code occupancy rating.
- Two bowlers per lane.
- No spectators allowed.
- Bowlers must maintain 6 feet of distance between bowlers in other lanes and in other areas of the facility.
- Sharing of equipment is not allowed.
- Shoes and balls, including finger holes, must be disinfected after every use.
- Restaurants and pro-shops adhere to required guidelines for food service and retail for the phase that their respective region is in.
- Mask use required at all times.

Phase 3:
- The facility may not exceed 50% of the fire code occupancy rating
- Four bowlers per lane.
- Spectators allowed and counted towards 50% occupancy limit
- Mask use required at all times except when actively eating or drinking.
- Restaurants and pro-shops must follow required guidelines for food service & retail for Phase 3.
- Limited use of showers and locker rooms allowed. Users must remain 6 feet distanced from other users.

All Phases
2. Designate a site-specific COVID-19 supervisor to monitor and enforce the COVID-19 safety plan. A copy of the plan must be available at all locations and available for inspection by state and local authorities.

**Fully Vaccinated Individuals**

*** Nothing in this section repeals any of the other provisions found in this document. Rather, this section creates limited exemptions for fully vaccinated individuals. ***

1. **Customers:** In accordance with the Secretary of Health’s [Order 20-03.2](https://example.com), fully vaccinated individuals are exempt from the requirement to wear a face covering. A person is fully vaccinated against COVID-19 two weeks after they have received the second dose in a two-dose series (Pfizer-BioNTech or Moderna) or two weeks after they have received a single-dose vaccine (Johnson and Johnson/Janssen).

   Fully vaccinated individuals are also exempt from physical distancing requirements.

   To implement this section, businesses may:
   - a. Implement an honor system;
   - b. Engage with customers to ask about vaccination status;
   - c. Require proof of vaccination status; or
   - d. Continue mandating the use of face coverings.

2. **Employees:** Follow the requirements from the Department of Labor & Industries [here](https://example.com).

**Safety and Health Requirements**

All employers have a general obligation to maintain a safe and healthy workplace in accordance with state and federal law and safety and health rules for a variety of workplace hazards. Employers must specifically ensure operations follow the main Labor & Industries COVID-19 requirements to protect workers. COVID-19 workplace and safety requirements can be found [here](https://example.com).

Additional information is available at [Novel Coronavirus Outbreak (COVID-19) Resources](https://example.com) and [Paid Leave under the Washington Family Care Act and the Families First Coronavirus Response Act](https://example.com).
