

Drive-in Theaters

COVID-19 Requirements

Drive-in theaters must adopt a written procedure that is at least as strict as the requirements in this document and that complies with the appropriate safety and health requirements and guidelines established by the Washington State Department of Labor & Industries and the Washington State Department of Health.

Prior to recommencing services, drive-in theaters are required to develop at each establishment, a comprehensive COVID-19 exposure control, mitigation, and recovery plan which must be adhered to. A site-specific COVID-19 monitor shall be designated at each location to monitor the health of individuals and enforce the COVID-19 job site safety plan. A copy of the plan must be available at all locations and available for inspection by state and local authorities. Failure to meet this requirement may result in sanctions up to, and including, license suspension.

Safety and Health Requirements

All drive-in theater owners have a general obligation to maintain a safe and healthy workplace in accordance with state and federal law and safety and health rules for a variety of workplace hazards. Employers must specifically ensure operations follow the main Labor & Industries COVID-19 requirements to protect workers. COVID-19 workplace and safety requirements can be found [here](#).

Additional information is available at [Novel Coronavirus Outbreak \(COVID-19\) Resources](#) and [Paid Leave under the Washington Family Care Act and the Families First Coronavirus Response Act](#).
