Theater & Performing Arts and Events
COVID-19 Requirements

Summary of April 21, 2021 Changes:

• For dance in Phase 3 outdoors, dancers are permitted to perform without masks.
• Adds language regarding summer camps.

Summary of April 7, 2021 Changes:

• Adds a requirement for masks and bell covers for woodwind and brass instruments.
• For dance in Phase 3, partner dancing and contact with multiple dancers is permitted, reduces the physical distancing from 10 feet to 6 feet, and permits dancers to perform without masks if the dance requires certain dance moves.
• Permits unmasked actors in outdoor theatre performances so long as there is no singing, all speaking actors use masks, and all actors maintain 6 feet of physical distancing.

Theaters and performing arts are permitted to operate, provided the general and discipline-specific requirements in this document are met and followed. The theatre and performing arts organization must adopt a written procedure for operation that is at least as strict as the procedures below and complies with all safety and health requirements.

General Indoor and Outdoor Theater and Performing Arts Organizations and Performing Arts Events:

This section includes guidance that all indoor and outdoor theater and performing arts organizations and events must follow. Additional requirements may also be required depending on the discipline.

Phase 1: Indoor: Private rentals/tours/performances for individual households of no more than six people are permitted. All individuals must wear face coverings. Maximum capacity is 25% of the venue or space.

Phase 1: Outdoor: Ticketed events only. Groups of 10 people are permitted but are limited to two households per group. Groups must always be physically distanced six feet apart and maintain six feet of physical distance from others. All individuals in attendance must wear a face covering. A minimum of 20 feet of physical distancing is required between artists/performers and the audience. A maximum of 75 individuals including artists, crew, and audience members may be in the designated area. There is a two-hour time limit on all performances/events.

Phase 2: Indoor: Maximum capacity is 25% of the venue/space or 200 people, whichever is less. Groups with a maximum of six people are permitted. Each group must always be physically distanced six feet apart and maintain six feet of separation from others. All individuals in attendance must wear a face covering. A minimum of 20 feet of physical distancing is required between artists/performers and the audience. There is a two-hour time limit on all performances/events.

Phase 2: Outdoor: Groups of up to 15 people are permitted but are limited to two households per group. Groups must always be physically distanced six feet apart and maintain six feet of separation from others. All individuals in attendance must wear a face covering. **Venue Requirements and Guidelines:**

The venue must provide clear communications to renters, artistic partners, event producers, and other visiting groups prior to arrival regarding the venue sanitation and safety expectations. In addition, the venue must post signage outside and inside of the venue that clearly outlines which spaces may be used by renters.

**Sanitation & Safety Expectations:** The venue shall:

• Designate a point of contact to ensure the “Healthy Washington – Roadmap to Recovery” Proclamation 20-25.12 (et seq.) and requirements per Department of Labor and Industries (L&I) and Health Department, are met with a written safety plan specific to each venue that meets the minimum requirements as set forth by the Healthy Washington plan.

• Provide clear communications to patrons prior to arrival regarding safety expectations.

• Post signage outdoors and inside that declares expectations for the visitors to enter the venue, including caution to physical distance, wash hands, use hand sanitizer, wear a face covering, and other safety precautions.

• Clean daily and adhere to the Centers for Disease Control and Prevention (CDC) recommendations for cleaning and sanitation of public facilities are followed. Clean and sanitize all occupied areas between performances.

• Frequently sanitize high touch surfaces including counter tops, doors, elevator buttons, and workstations, particularly during events.

• Install sanitation stations throughout the venue, including backstage and office spaces, that include hand sanitizer and wipes.

• Require all individuals ages 5 and up to wear face coverings in accordance with state, county, and venue regulations.
• Consider shield-guards/physical protection guards between public and staff (concessions, box office, reception, retail).

• Promote the ventilation of interior spaces. HVAC systems will be maintained and operated following ASHRAE recommendations to the best of each facility's capability. Circulation of outdoor air will be increased to the safest extent possible.

• Evaluate and adjust when possible, audience flow and general lobby spaces to maximize physical distancing and minimize engagement of high touch surfaces.

• Train and strategically place staff or volunteers to encourage flow and physical distancing of visitors.

**Patron Safety Expectations:** The venue shall:

• Strive to secure patron contact information to facilitate contract tracing (if selling reserved seating).

• Require all individuals ages 5 and up to wear face coverings in accordance with state, county, and venue regulations.

• Send protocols in advance to patrons when feasible.

• Encourage patrons to download digital tickets or use print-at-home ticketing when possible.

• Consider the use of digital programs and reduce exchange of printed materials.

• Identify, control, and limit congregation points in venues where staff and visitors may come into proximity.

**Employee Safety Expectations (all staff including front-of-house, backstage, artists, volunteers):** The venue shall:

• Sanitize and prepare the venue before allowing employees to return to work.

• Reorganize workspaces to maximize physical distancing and/or encourage continued remote work.

• Provide disinfecting wipes and hand sanitizer throughout work areas for personal use and to sanitize workstations, equipment, and limit sharing when possible.

• Provide and train use of personal protective equipment required for personnel per L&I as well as OSHA and CDC recommendations, based upon duties.

• Consider job hazard assessment for artists and personnel for each venue and event.

• Regularly review safety procedures with staff, updating as indicated by public health officials and industry standards.

• Provide training and security protocols for employees to address patrons who do not cooperate with safety protocols.

• Prohibit Backstage visitors and prohibit the greeting of audience members at the stage door following performances.

• Require everyone to wear face coverings in accordance with state, county, and venue regulations.

**Food Service and Retail:** Food service, restaurants, gift shop, and other retail operations in performing arts venues and at events will operate according to phase-specific guidelines outlined in the “Retail” and “Eating and Drinking” in sections of the Healthy Washington guidelines.
