Governor

STATE OF WASHINGTON
Office of the Governor

TO: Interested Stakeholders
FROM: Governor Jay Inslee
DATE: August 20, 2020
SUBJECT: Agritourism – Proclamations 20-25, *et seq.*

This memorandum serves as the criteria for clarifying the requirements for agritourism activities to operate in Phase 2. This memorandum is effective August 20, 2020.

After consulting with stakeholders, we have developed the **Phase 2 Agritourism – COVID-19 Requirements**. These requirements apply as long as Gubernatorial Proclamation 20-25, and any extension thereof, is in effect or if adopted as rules by a federal, state or local regulatory agency.

“Agritourism” links agricultural production with tourism in order to attract visitors onto a farm, ranch, or other agricultural business for the purposes of entertaining and educating the visitors and generating income for the farm, ranch, or business owner.

This memorandum stands in the place of any omission from Proclamation 20-25’s Appendix, “Essential Critical Infrastructure Workers.”

The activities described in this memorandum may resume immediately if:

- a) **The businesses or organizations can meet and maintain all requirements, including providing materials, schedules and equipment needed to comply; and**
- b) **The businesses or organizations conduct only those activities that are allowed under their county’s phase status.**

General questions about how to comply with Proclamations 20-25, *et seq.*, can be submitted [here](#).

Violations related to Proclamations 20-25, *et seq.*, can be reported [here](#).
