SUBJECT: Modified Phase 1 Miniature Golf, Putt Putt Golf, and Staffed Water Recreation Facilities; Phase 2 Golf; Modified Phase 1 Gymnastics; and Aquariums – Proclamations 20-25 and 20-25.4

This memorandum serves as the criteria for resuming miniature golf, putt putt golf, and staffed water recreation facilities in Modified Phase 1; amending Phase 2 golf; moving team gymnastics activities to Modified Phase 1; and clarifying the requirements for zoos and aquariums. This memorandum is effective June 9, 2020.

After consulting with stakeholders, we have developed the **Phase 2 Miniature Golf, Putt Putt Golf, and Staffed Water Recreation Facilities COVID-19 Requirements**. These requirements apply as long as Gubernatorial Proclamations 20-25 and 20-25.4, or any extension thereof, is in effect or if adopted as rules by a federal, state or local regulatory agency. In addition, we are making the following amendments to existing COVID-19 Requirements:

- a) Golfers from different households may now share a power cart in Phase 2. Updated Phase 2 requirements are [here](#).
- b) Team gymnastics, including training for USA Gymnastics athletes may now take place in Modified Phase 1, in accordance with all Phase 2 requirements. The placement of team gymnastics in Modified Phase 1 does not affect any other activity covered in the Phase 2 Guidance for Fitness and Training. The Phase 2 guidance is [here](#).
- c) Zoos are now permitted to reopen indoor exhibits at 25 percent capacity, and aquariums are now treated synonymously with zoos. Updated Phase 2 requirements are [here](#).

This memorandum stands in the place of any omission from and supersedes any conflicting provision in Proclamation 20-25's Appendix, "Essential Critical Infrastructure Workers."

The activities described in this memorandum may resume immediately if:

- a) **The businesses can meet and maintain all requirements, including providing materials, schedules and equipment needed to comply; and**
- b) **The businesses conduct only those activities that are allowed under their county's phase status.**
