

EXECUTIVE ORDER 12-02-64

Having been informed that certain islands of the San Juan County have lost their normal electrical power supply to the citizens of the area, and that this lack of sufficient electrical power for an extended period of time is detrimental to the health and welfare of the populace affected;

NOW, THEREFORE, I, Albert D. Rosellini, Governor of the State of Washington, in order to protect life and property and because of the apparent disaster, hereby order the Adjutant General of the State of Washington to place on duty such troops and equipment of the Washington National Guard as deemed necessary to re-establish electrical power to the affected communities. This Executive Order is issued under authority vested in me under the provisions of R.C.W. 38.08.040.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia this 2nd day of December A.D., Nineteen hundred and sixty-four.

Albert D. Rosellini
Governor of Washington

BY THE GOVERNOR:

Deputy Secretary of State
