I again direct that the plans and procedures of the Washington State Comprehensive Emergency Management Plan be implemented throughout state government. State agencies and departments are directed to continue utilizing state resources and doing everything reasonably possible to support implementation of the Washington State Comprehensive Emergency Management Plan and to assist affected political subdivisions in an effort to respond to and recover from the COVID-19 pandemic.

I continue to order into active state service the organized militia of Washington State to include the National Guard and the State Guard, or such part thereof as may be necessary in the opinion of The Adjutant General to address the circumstances described above, to perform such duties as directed by competent authority of the Washington State Military Department in addressing the outbreak. Additionally, I continue to direct the Washington State Department of Health, the Washington State Military Department Emergency Management Division, and other agencies to identify and provide appropriate personnel for conducting necessary and ongoing incident related assessments.

IT IS HEREBY RECOGNIZED that, pursuant to RCW 43.06.220(4), the leadership of the Washington State Senate and House of Representatives has extended my statutory waivers and suspensions of the following statutes in Proclamations 20-23, 20-23.1, and 20-23.2 to May 31, 2020:

1. RCW 80.04.130(1); and
2. RCW 80.28.060(1)
3. RCW 80.04.110(1)(a); and
4. RCW 80.28.068

FURTHERMORE, based on the above situation and under the provisions of RCW 43.06.220(1)(h), to help preserve and maintain life, health, property or the public peace in addressing the COVID-19 State of Emergency, I extend Proclamations 20-23, 20-23.1, and 20-23.2 prohibiting the Washington State Utilities and Transportation Commission from applying the waiver and suspension of RCW 80.04.110(1)(a) and RCW 80.28.068 for any
purpose other than providing relief to members of the public affected directly or indirectly by the COVID-19 pandemic while this Proclamation remains in effect. Expenses and lost revenues as a result of rate assistance or discounts shall be included in the company's cost of service and recovered in rates to other customers, provided that the utilities making a request for such recovery demonstrate to the satisfaction of the commission that such expenses and lost revenues occurred as a result of providing rate assistance or discounts.

FURTHERMORE, based on the above situation and under the provisions of RCW 43.06.220(1)(h), to help preserve and maintain life, health, property or the public peace, and while the statutory waivers and suspensions of this Proclamation remain in effect, I hereby extend Proclamations 20-23, 20-23.1, and 20-23.2 prohibiting the Washington State Utilities and Transportation Commission or any other person or entity from using or otherwise relying upon the waiver or suspension of any statutory provisions identified herein for any purpose other than assisting utility customers throughout Washington State impacted by the economic consequences of the COVID-19 pandemic and using surplus balances from electric and natural gas utility low income accounts to support community action agencies or otherwise provide services intended to address the consequences of the COVID-19 pandemic in Washington State.

FURTHERMORE, I make the following findings:

(1) Many local governments have issued emergency declarations regarding the COVID-19 pandemic.
(2) The following entities are authorized to provide essential utility services in Washington State:
   a) Municipal utilities, public utility districts, and water and sewer districts authorized under Title 35 RCW, Title 54 RCW, and Title 57 RCW;
   b) Electrical, natural gas, telecommunications, and water companies regulated by the Utilities and Transportation Commission under Title 80 RCW;
   c) Cooperatives formed under Chapter 23.86 RCW; and
   d) Mutual corporations or associations formed under Chapter 24.06 RCW.
   e) Public water systems formed under Chapter 70.119A RCW.
(3) Preserving and maintaining essential utility services to vulnerable populations during this crisis supports the fundamental public purpose of protecting public health and welfare.

FURTHERMORE, in recognition of the above findings, and to help preserve and maintain life, health, property or the public peace under RCW 43.06.220(1)(h), I prohibit all energy, telecommunications, and water providers in Washington State from conducting the following activities from March 23, 2020, the date Proclamation 20-25 was signed, until May 31, 2020: (1) disconnecting any residential customers from energy, telecommunications, or water service due to nonpayment, except at the request of the customer; (2) refusing to reconnect any residential customer who has been disconnected due to nonpayment; and (3) charging fees for late payment or reconnection of energy, telecommunications, or water service.
Additionally, I strongly encourage all entities providing utility services in Washington State to take reasonable actions to mitigate the economic impacts of the COVID-19 pandemic on their utility customers caused by this crisis, including but not limited to: enacting flexible credit and collection procedures, such as using payment plans to fulfill customer outstanding balances; coordinating with the Department of Commerce to help eligible customers gain access to federal funding for energy bill assistance; employing internal processes and procedures to facilitate social distancing and proper hygiene practices; and closing facilities to the public. I also strongly encourage municipal and public utility boards and commissions to delegate authority to senior utility executives to take any and all actions necessary or appropriate to mitigate the economic impacts to their utility customers to address the COVID-19 crisis.

Additionally, these prohibitions do not relieve a utility customer from the obligation to pay for utility services.

Violators of this order may be subject to criminal penalties pursuant to RCW 43.06.220(5).

Signed and sealed with the official seal of the state of Washington on this 5th day of May, A.D., Two Thousand and Twenty at Olympia, Washington.
