**PROCLAMATION BY THE GOVERNOR  
AMENDING AND EXTENDING PROCLAMATIONS 20-05 and 20-51**

**20-51.1  
Community Associations Meetings and Late Fees**

**WHEREAS**, on February 29, 2020, I issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout the state of Washington as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in Washington State; and

**WHEREAS**, as a result of the continued worldwide spread of COVID-19, its significant progression in Washington State, and the high risk it poses to our most vulnerable populations, I have subsequently issued amendatory Proclamations 20-06 through 20-53 and 20-55, exercising my emergency powers under RCW 43.06.220 by prohibiting certain activities and waiving and suspending specified laws and regulations; and

**WHEREAS**, the COVID-19 disease, caused by a virus that spreads easily from person to person which may result in serious illness or death and has been classified by the World Health Organization as a worldwide pandemic, has broadly spread throughout Washington State, seriously increasing the threat of serious associated health risks statewide; and

**WHEREAS**, in response to the COVID-19 pandemic and consistent with directives from public health agencies such as the World Health Organization, the Center for Disease Control and Prevention, and the Washington State Department of Health, I issued Proclamations 20-25, 20-25.1, 20-25.2 and 20-25.3 (“Stay Home, Stay Healthy”) restricting Washington residents’ movement outside their homes; and

**WHEREAS**, a large percentage of Washington State businesses and members of our workforce continue to suffer significant economic hardship from the global COVID-19 pandemic, and in many cases their financial resources are becoming limited; and

**WHEREAS**, Washington State has approximately 2.1 million homeowners living in community associations, with many suffering economically from the COVID-19 pandemic, resulting in late payment of association assessments and incurring late fees or interest charges; and

**WHEREAS**, community associations are required by law to hold an annual meeting, and the governing documents of many community associations require annual, quarterly or monthly board of directors meetings, without the ability to hold meetings remotely through electronic or other means; and

**WHEREAS**, on April 17, 2020, I issued Proclamation 20-51, suspending statutes to allow community associations to hold remote meetings and waiving deadlines for filing of annual assessments; and

**WHEREAS**, on May 14, 2020, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-48 were extended by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or May 31, 2020, whichever occurs first; and

**WHEREAS**, the worldwide COVID-19 pandemic and its progression in Washington State continues to threaten the life and health of our people as well as the economy of Washington State, and remains a public disaster affecting life, health, property or the public peace; and

**WHEREAS**, the Washington State Department of Health continues to maintain a Public Health Incident Management Team in coordination with the State Emergency Operations Center and other supporting state agencies to manage the public health aspects of the incident; and

**WHEREAS**, the Washington State Military Department Emergency Management Division, through the State Emergency Operations Center, continues coordinating resources across state government to support the Department of Health and local health officials in alleviating the impacts to people, property, and infrastructure, and continues coordinating with the Department of Health in assessing the impacts and long-term effects of the incident on Washington State and its people.

**NOW, THEREFORE**, I, Jay Inslee, Governor of the state of Washington, as a result of the above-noted situation, and under Chapters 38.08, 38.52 and 43.06 RCW, do hereby proclaim that a State of Emergency continues to exist in all counties of Washington State, that Proclamation 20-05 and all amendments thereto remain in effect as otherwise amended, and that Proclamation 20-51 is amended to recognize the extension of statutory waivers and suspensions therein by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or 11:59 PM on May 31, 2020, whichever occurs first.

I again direct that the plans and procedures of the *Washington State Comprehensive Emergency Management Plan* be implemented throughout state government. State agencies and departments are directed to continue utilizing state resources and doing everything reasonably possible to support implementation of the *Washington State Comprehensive Emergency Management Plan* and to assist affected political subdivisions in an effort to respond to and recover from the COVID-19 pandemic.
