**WHEREAS**, the COVID-19 disease, caused by a virus that spreads easily from person to person, which may result in serious illness or death and has been classified by the World Health Organization as a worldwide pandemic, continues to broadly spread throughout Washington State and remains a significant health risk to all of our people, especially members of our most vulnerable populations; and

**WHEREAS**, to remove barriers to adding health care staffing capacity to meet the demands of the COVID-19 response, it is necessary to immediately waive and suspend portions of the licensing and administrative statutes and rules relating to the issuance of Temporary Practice Permits (TPP) for healthcare workers who have recently graduated from professional health care programs in dentistry, pharmacy, and dental hygiene; and

**WHEREAS**, on July 14, 2020, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-59 were extended by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency

or August 1, 2020, and which I acknowledged and similarly extended the prohibitions and suspension and waiver of rules therein until the termination of the COVID-19 State of Emergency or June 15, 2020 in Proclamation 20-59.1; and

**WHEREAS**, on July 30, 2020, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-59, et seq., were extended by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or September 1, 2020, and which I acknowledged and similarly extended the prohibitions and suspension and waiver of rules therein until the termination of the COVID-19 State of Emergency or September 1, 2020 in Proclamation 20-59.2; and

**WHEREAS**, to more fully remove barriers to adding health care staffing capacity to meet the demands of the COVID-19 response, it is necessary to add denturists to the professionals eligible to be covered by the waiver and suspensions of Proclamation 20-59, et seq.; and

**WHEREAS**, the Department of Health indicates that cases of COVID-19 in Washington State and associated deaths continue to increase, demonstrating the ongoing, present threat of this lethal disease; and

**WHEREAS**, the worldwide COVID-19 pandemic and its progression in Washington State continue to threaten the life and health of our people as well as the economy of Washington State, and remain a public disaster affecting life, health, property or the public peace; and

**WHEREAS**, the Washington State Department of Health continues to maintain a Public Health Incident Management Team in coordination with the State Emergency Operations Center and other supporting state agencies to manage the public health aspects of the incident; and

**WHEREAS**, the Washington State Military Department Emergency Management Division, through the State Emergency Operations Center, continues coordinating resources across state government to support the Department of Health and local health officials in alleviating the impacts to people, property, and infrastructure, and continues coordinating with the Department of Health in assessing the impacts and long-term effects of the incident on Washington State and its people.

**NOW, THEREFORE**, I, Jay Inslee, Governor of the state of Washington, as a result of the above-noted situation, and under Chapters 38.08, 38.52, and 43.06 RCW, do hereby proclaim that a State of Emergency continues to exist in all counties of Washington State, that Proclamation 20-05 and all amendments thereto remain in effect, and that Proclamations 20-05 and 20-59, et seq., are amended to (1) continue to recognize the extension of statutory waivers and suspensions therein by the leadership of the Washington State Senate and House of Representatives until the termination of the COVID-19 State of Emergency or 11:59 p.m. on September 1, 2020, whichever occurs first, and (2) similarly extend and amend the prohibitions and the waiver and suspension of rules therein until termination of the COVID-19 State of Emergency or 11:59 p.m. on September 1, 2020, whichever occurs first.

I again direct that the plans and procedures of the *Washington State Comprehensive Emergency Management Plan* be implemented throughout state government. State agencies and departments are directed to continue utilizing state resources and doing everything reasonably possible to support implementation of the *Washington State Comprehensive Emergency Management Plan* and to assist affected political subdivisions in an effort to respond to and recover from the COVID-19 pandemic.

As a result of this event, I continue to order into active state service the organized militia of Washington State to include the National Guard and the State Guard, or such part thereof as may be necessary in the opinion of The Adjutant General to address the circumstances described above, to perform such duties as directed by competent authority of the Washington State Military Department in addressing the outbreak. Additionally, I continue to direct the DOH, the Washington State Military Department Emergency Management Division, and other agencies to identify and provide appropriate personnel for conducting necessary and ongoing incident related assessments.

**FURTHERMORE**, and repeated from Proclamation 20-59 for ease of reference, based on the above situation and under the provisions of RCW 43.06.220(2)(g), I find that strict compliance with the following statutory and regulatory obligations or limitations will prevent the Washington State healthcare system from meeting the demand for healthcare staffing to meet the demands of the COVID-19 State of Emergency under Proclamation 20-05, and that the portion or language of each statutory and regulatory provision specified below is hereby waived and suspended in its entirety, except as otherwise provided herein with specific language stricken (for example, “~~icensed~~”), until 11:59 p.m. on September 1, 2020:

1. RCW 18.130.075 (Temporary practice permits—Penalties), the following stricken language only:

The temporary permit may reflect statutory limitations on the scope of practice. ~~(2) Failure to surrender the temporary practice permit is a misdemeanor under RCW 9A.20.010 and shall be unprofessional conduct under this chapter.~~

~~(3) The issuance of temporary permits is subject to the provisions of this chapter, including summary suspensions.~~
