WHEREAS, as a result of the continued worldwide spread of COVID-19, its significant progression in Washington State, and the high risk it poses to our most vulnerable populations, I have subsequently issued several amendatory proclamations, exercising my emergency powers under RCW 43.06.220 by prohibiting certain activities and waiving and suspending specified laws and regulations; and

WHEREAS, there is an increased risk of rapid spread of COVID-19 among persons who live and work in congregate settings, and many residents, patients and staff are at increased risk for severe COVID-19, including individuals in facilities administered by the Department of Social and Health Services Behavioral Health Administration (BHA), those facilities operated for the Children's Long-Term Inpatient Program (CLIP) as contracted by the Health Care Authority (HCA), and Residential Treatment Facilities (RTF) as licensed by the Department of Health (DOH); and

WHEREAS, facility residents, staff, vendors, and visitors can introduce COVID-19 into a BHA, CLIP, or RTF and start an outbreak or spread an existing outbreak into a new population; and

WHEREAS, on January 15, 2021, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-74, et seq., were extended by Senate Concurrent Resolution 8402 until the termination of the state of emergency pursuant to RCW 43.06.210, or until rescinded, whichever occurs first; and
